

Coomo Furnishings' mission goes beyond designing and making furniture; we improve lifestyles, creativity, attitudes and spread a culture through designing spaces for your home and workplace. For nearly two decades hardworking, Coomo has a design team that includes 30 of the top designers from all over the world, 13 large manufactory bases along with 2000 flagship stores all over China and across the globe. Our 5000 staff strive hard to create elegance, comfort and functionality to life and working environments.

We have 19 brands and ranges of products and collocations; whether it is a single range of lounges and living space, dining and kitchen area, bedroom and study room, kids room and home theatre or overall collocations like large houses and mansions, modern apartments, residential homes or luxury office areas, you can always find your favourite pieces from Coomo. We are committed not only to creating a warm and comfortable home, but also providing different living spaces and experiences. Coomo designs for your desire.
